## Contenu

Numéro	Folios	Siècle	Date	Support Principal	Remarque	Copistes, Possesseurs & Autres	Révision
0.T	I-II	-		Parchemin	- The British Library digitization appears to be complete. - The VMR reproduction is incomplete as not all of the front and end matter has been photographed but the ancient part of the manuscript has been faithfully reproduced. - There seem to be at least two flyleaves visible at the beginning of the manuscript and another two at the end but these are photographed only partially. - Several of the flyleaves are unnumbered.
