## Contenu

Numéro	Folios	Siècle	Date	Support Principal	Remarque	Copistes, Possesseurs & Autres	Révision
1.A	001-146	10		Parchemin	- Although the two parts Epist. Pauli and Revelation had temporarily two different numbers (I.12 and I.13), there can be no doubt about the unity of the Codex. - The foliation is very inaccurate and faulty. Accordingly, the numbers given in this study are based on the virtual foliation as outlined by Dendrinou 2016.
